, Engineer.

OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights. A substantial headgate and weir must be installed and maintained to facilitate the measurement of water. The state reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.8795 cubic feet per second.

Actual construction work shall begin on or before August 27, 1926

Proof of commencement of work shall be filed before September 27, 1926

Work must be prosecuted with reasonable diligence and be completed on or before August 27, 1930

Proof of completion of work shall be filed before September 27, 1930

Application of water to beneficial use shall be made on or before August 27, 1931. Proof of the application of water to beneficial use must be filed with State Engineer on or before September 27, 1931

Map filed November 3, 1927
Proof of labor filed July 14, 1927 WITNESS MY HAND AND SEAL this 27th day

of June, 1926

Canceled APR 6 1942 because of failure

of applicant to comply with the provisions of permit

R. K. & C. E.
State Engineer.
